

Orleans Casket Company, Inc.

Proudly manufactured in the U.S.A.

1760 South Lane • Mandeville, LA • 70471-7732

The Orleans Casket Company is a regional company manufacturing metal, hardwood, and cloth covered caskets. Our new and innovative products as well as our handcrafted interiors have been well received by the funeral industry.

Established in 1886, Orleans Casket Company is one of the oldest and most respected casket manufacturers in the South. Our company still maintains its reputation as a quality and custom-casket manufacturer. We are able to provide customized colors and interior styles to meet the personal choices of your families.

Our company, which had been independently owned and operated since 1886, became a family owned and operated enterprise in 1991.

As we move forward, we look forward to the continual servicing of your burial product needs.

Winter Solid Bronze

This impressive full couch solid bronze unit has a beautiful polished, scratch brushed venetian bronze finish. It contains a plush beige velvet interior with a hand-tufted panel and pillow accent. A set of plated antique bronze hardware adds the finishing touch to this attractive unit.

Adams Solid Copper

This round-end solid copper unit is finished in a polished palomino coppertone color with a silver shading. The beige, all-velvet interior contains a hand-tufted panel, pillow, and overlay. Plated metal hardware is added to complement the outside of this unit.

Jackson Solid Copper

This stunning solid copper unit features a lustrous polished scratch brushed venetian bronze finish. It contains a beige, all-velvet interior with a hand-tufted panel, pillow, and overlay. A set of plated copper hardware completes this unit.

Empress Stainless Steel

This unique stainless steel unit has a beautiful polished, scratch brushed tearose finish with a coppertone shading. An elegant, pink crepe interior contains a unique embroidered dogwood flower in the panel and on the overlay. A rose silver plated metal hardware accentuates the overall look of this unit.

Going Home Stainless Steel

This simple, yet stunning, stainless steel unit features a polished scratch brush sky blue finish. The blue, all-velvet interior contains an embroidered Going Home in the panel. Plated nickel metal hardware is used to complete this unit.

Disciple Stainless Steel

This religious stainless steel unit has a polished scratch brush silver finish. The silver velvet interior contains embroidered praying hands in the cap panel. The plated antique nickel Last Supper handle and angel corners truly complement the religious undertones of this unit.

Magnum Stainless Steel

This classic stainless steel unit has a polished scratch brush ebony finish. Its silver velvet interior contains a hand-tufted panel, pillow, and overlay. A set of plated nickel metal hardware is added as a finishing touch.

Monterey 16 Gauge

This round-end 16 gauge unit has a polished scratch brush finish in gunmetal with an ebony shading. Handmade pipes are added to the silver velvet interior to enhance the beauty of the interior. Plated nickel hardware is used to complete the look of this unit.

Karen 16 Gauge

This beautiful 16 gauge unit contains a polished cream shaded coppertone finish. A gorgeous rose is embroidered in the panel of this all-velvet pink interior. Plated copper metal hardware completes the look of this lovely unit.

Sampson 16 Gauge

This unique, urn-shaped 16 gauge unit is finished in a polished scratch brush midnight blue. Hand-tufting is added to the blue velvet interior for added detail while plated nickel hardware is used to complete the look.

Margaret 18 Gauge

This beautiful floral 18 gauge unit has a polished silver taupe finish. Its pink crepe interior includes an embroidered rose in the cap panel. Rose decals are added to the plated copper metal hardware to complete the look.

Davis-Flag 18 Gauge

This patriotic 18 gauge unit has a polished silver finish. The blue crepe interior includes an embroidered American flag in the cap panel. Stationary metal hardware which is plated in nickel completes the look of this unit.

Dardanelle 18 Gauge

This rose-themed 18 gauge unit has a polished white shaded pink finish. The white crepe interior contains beautiful embroidered roses in the cap panel. Rose decals are added to the plated nickel metal hardware to finish off the rose theme.

Davis 18 Gauge

This classic looking 18 gauge unit has a polished slate blue finish with an ebony shade. An embroidered wreath in the panel and on the overlay adorn this blue crepe interior. Plated nickel stationary metal hardware is used to complete this beautiful unit.

Richard 18 Gauge

This “tree of life” 18 gauge unit has a polished sky blue finish. The blue crepe interior is adorned with an embroidered Tree of Life in the panel. Plated nickel metal hardware is then used to complete the look of this unit.

Sterling 18 Gauge

This handcrafted 18 gauge unit has a polished silver taupe finish. The pink crepe interior contains a beautiful hand-painted flower design in the cap panel. Plated copper metal hardware containing rose decals completes the look of this unit.

Sterling 18 Gauge

This handcrafted 18 gauge unit has a polished pink shaded silver taupe finish. The pink crepe interior contains a beautiful hand-painted flower design in the cap panel. Plated copper metal hardware containing rose decals completes the look of this unit.

Olympia

18 Gauge

This unique 18 gauge unit has a polished venetian bronze gold finish. A beautiful embroidered design adorns the old ivory crepe interior. Plated gold stationary hardware is added as a final touch.

Hanna

18 Gauge

This traditional 18 gauge unit has a polished venetian bronze blended palomino coppertone finish. Beige velvet handmade pipes in the cap panel add to the beauty of this rosetan crepe interior. Plated cedar nickel metal hardware adds the finishing touch to this unit.

In God's Care

18 Gauge

This beautiful 18 gauge unit has a polished slate blue finish with a silver shade. An embroidered "In God's Care" panel is included in the cap of this blue crepe interior. The plated antique nickel metal hardware contains a triple cross decal to complete the look of this unit. Also available in 20 gauge.

Harrison 18 Gauge

This beautifully tailored 18 gauge unit has a polished silver finish. Handmade pipes in the cap panel are used to bring perfection to this silver crepe interior. Plated antique nickel stationary metal hardware finishes off the look of this unit.

Union 18 Gauge

This sleek 18 gauge unit has a polished palomino coppertone shaded silver finish. Beautiful handmade pipes in the cap panel add to the look of this rosetan crepe interior. Plated copper metal hardware is added as a final touch.

Dempsey 18 Gauge

The polished tearose shaded silver finish of this 18 gauge unit gives it a feminine feel. Embroidered roses in the cap panel of this white crepe interior add to this look. Rose decals are added to the plated nickel metal hardware to soften the look of this unit.

Apostle 20 Gauge

This religious 20 gauge full couch unit is finished in a polished silver color. The interior of both white crepe and white velvet contains a Last Supper picture as well as crucifixes in the panel. Last Supper handles and angel corners in plated antique nickel are used to complement the beautiful religious feel of this unit. It is also available in 18 Gauge.

Marcus 20 Gauge

This 20 gauge unit has a polished olive green finish. The rosetan crepe interior contains 2 buttons in the panel. Stationary hardware sprayed coppertone is then added to the unit to complete the look.

Sawyer 20 Gauge

This stylish 20 gauge unit is finished in a polished russet bronze with a gold shading. Flat bands are added to the cap panel of this rosetan crepe interior. Plated gold metal hardware is then added to finish off the look of this unit.

Oxford 20 Gauge

This modern 20 gauge unit has a polished silver shaded gunmetal finish. The white crepe interior contains a sunburst ray in the cap panel. As a finishing touch, plated nickel stationary hardware is added.

Saxon 20 Gauge

This classic 20 gauge unit has a polished slate blue finish with an ebony shade. Praying hands are added to the cap panel of this blue crepe interior. To complete the look of this unit, plated nickel stationary metal hardware has been added to the exterior.

106 Poplar

This economical poplar hardwood unit has a semi-dull walnut finish. It contains a shirred panel in the rosetan crepe interior. A set of sprayed coppertone metal hardware is then used to complete the look of this unit.

130
Poplar

This popular unit is made of poplar hardwood and has a dark red mahogany finish. The white crepe interior contains a beautiful shirred panel. A set of sprayed coppertone metal hardware is used to finish off the look of this unit.

100
Poplar

This poplar hardwood contains a raised flat panel and is finished in a semi-dull walnut color. The rosetan crepe interior is adorned with a ray in the panel. Plated antique copper hardware is used to finish off the look of this unit.

118
Poplar

This traditional poplar hardwood has a gloss palomino finish. The interior is made of white crepe and contains rosetan crepe bands in the panel. Antique gold metal hardware is used to complete the look of this unit.

118 Pieta Poplar

This poplar hardwood unit is finished in a gloss red mahogany. The beige all-velvet interior contains handcrafted pipes in the panel. As a finishing touch, the outside contains antique gold Last Supper hardware and Pieta corners which add to the religious look and feel.

186 Poplar

This magnificent poplar hardwood is finished in a pecan shade. The interior, which comes in either beige crepe or velvet, contains handmade pipes in the panel. The hand-turned spool corners and poplar bars add dimension to the plated copper metal hardware.

123 Poplar

This hand-grained poplar hardwood has a beautiful gloss tearose finish. The white crepe interior contains an exquisitely embroidered rose in the panel. A rose decal is added to the plated copper hardware as a finishing touch for this unit.

175
Poplar

This hand-grained poplar hardwood contains a gloss driftwood finish. The beautiful white crepe interior contains an embroidered design panel. A set of antique nickel plated metal hardware is used to complete the look of this unit.

262
Oak

This oak unit is finished in a rich, gloss timber tutone color. Handmade pipes are added to the cap panel to complement the look of the rosetan crepe interior. The beautiful hand-turned spool corners and cedar nickel plated metal hardware add the finishing touches to this unit.

262
Oak

This oak unit is finished in a gloss timber tutone color. Handmade pipes are added to the cap panel to complement the look of the rosetan crepe interior. Last Supper hardware plated in antique copper is added to this unit in order to give it a religious touch.

245

Oak

This classic oak hardwood has a charter serene finish. The rosetan crepe interior contains beautifully embroidered Falling Leaves in the panel. The warm look of the solid oak hardware completes the classic feel of this unit.

683

Cherry

This cherry hardwood is hand polished in a lustrous cherry finish. The white crepe interior features a hand-tufted panel in the cap. Handles made out of cherry are added to finish the look of this unit.

918

Cypress

This unique and beautiful full couch cypress hardwood unit is finished in a gloss provincial color. Its white all-velvet interior contains a Last Supper picture as well as crucifixes in the cap panel. Last Supper hardware and angel corners in antique copper are used to complement the interior of this unit.

448
Maple

This custom maple hardwood contains a gloss natural maple finish. A beautiful dogwood flower is embroidered in the panel and on the overlay of this beige all-velvet interior. The warm look of the solid maple handles completes the custom look of this unit.

678
Cherry

This massive cherry hardwood unit is finished in a Georgian sable color. Its silver all-velvet interior contains beautiful handmade pipes in the panel. The look of the solid cherry handles adds a finishing touch to this unit.

840
Pine

This rustic looking unit is made of solid pine. It has a beautiful gloss colonial pine finish. In keeping with the rustic look, embroidered pine cones are added to the panel in this rosetan crepe interior. Solid pine handles complete this rustic look.

445
Maple

This maple hardwood is finished in a light natural finish. The all-velvet beige interior contains handcrafted pipes in the panel. The gold Last Supper hardware and Pieta corners add a religious look and feel.

9235
20 Gauge

This minimum non-protective unit is made of 20 gauge steel and has a silver finish. The white crepe interior contains a plain cap panel. Stationary metal hardware sprayed silver completes the look of this unit.

Harris
20 Gauge

This classy 20 gauge non-protective unit is finished in a polished white shaded gold color. The interior is made of white crepe with flat bands being added to the cap panel. Stationary metal hardware plated in gold is used to complete the look of this unit.

1350 Cloth Cover
